U.S.S. AVENGER NCC-1860
A CHAPTER OF STARFLEET: THE INTERNATIONAL STAR TREK FAN ASSOCIATION, INC.

Welcome aboard U.S.S. Avenger. We are a local chapter of STARFLEET, The International Star Trek Fan Association, Inc., located in central New Jersey.

Ours is an active chapter, meeting on a monthly basis in North Brunswick to discuss science fiction, and to plan the various activities our members enjoy.

Amongst our varied activities, U.S.S. Avenger's members gather for movie nights at the local cinema, museum trips in the greater New York and Philadelphia areas, host picnics, and regularly attend the local science fiction and/or media conventions where we have opportunities to meet the stars of our favorite shows.

There is an opportunity to explore your creative side with fan fiction workshops, Through a membership with the parent organization, STARFLEET, you have additional opportunities for meeting even more people with shared interests, , and enhancing your fan experience.

U.S.S. Avenger is a club inspired by the Star Trek universe, but does not limit its appreciation of science fiction to that one series of shows, films, and related media. Our fans engage in discussions about all the newest, latest shows and films. There's something here for every fan of science fiction and fantasy.

People with common interests and diverse backgrounds have come to join our organization, celebrating the unique qualities of this genre of entertainment, and developing life-long friendships along the way.

We have also been there to lend a helping hand, participating in charity fundraising efforts to aid those less fortunate.

U.S.S. Avenger has enjoyed a rich 24 year history. we hope you'll consider joining us as we celebrate 25 years in 2010, and in to the future
